February 12, 2015

An act to ~~repeal~~ *add* Section ~~4401.5 of 12012.68~~ to the ~~Food and Agricultural~~ Government Code, relating to ~~fairs, tribal gaming, and~~ declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 315, as amended, Bigelow. ~~Fairs; annual expenditures. Tribal gaming: compact ratification.~~

Existing federal law, the Indian Gaming Regulatory Act of 1988, provides for the negotiation and execution of tribal-state gaming compacts for the purpose of authorizing certain types of gaming on Indian lands within a state. The California Constitution authorizes the Governor to negotiate and conclude compacts, subject to ratification by the Legislature. Existing law expressly ratifies a number of tribal-state gaming compacts, and amendments to tribal-state gaming compacts, between the State of California and specified Indian tribes.

The California Environmental Quality Act (CEQA) requires a lead agency to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project, as defined, that it proposes to carry out or approve that may have a significant effect on

the environment, as defined, or to adopt a negative declaration if it finds that the project will not have that effect.

This bill would ratify the tribal-state gaming compact entered into between the State of California and the United Auburn Indian Community, executed on August 14, 2015. The bill would provide that, in deference to tribal sovereignty, certain actions are not projects for the purposes of CEQA.

This bill would declare that it is to take effect immediately as an urgency statute.

~~Existing law requires the Secretary of Food and Agriculture to expend up to \$100,000 each fiscal year for an exhibit or exhibits at a fair that demonstrates, in a creative or innovative manner, the process of production and use of food and fiber. Existing law also requires the secretary to annually provide for a conference of fair judges to aid the department in prescribing regulations relating to judging exhibits and premiums offered for exhibits, and authorizes the secretary to expend up to \$15,000 each fiscal year for those purposes.~~

~~This bill would repeal those provisions.~~

Vote: ~~majority~~^{2/3}. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
